For a better finish, start with HYDE®.
Increase sales the HYDE® way.

U.S. brand share is three times higher than any other brand.

As the definitive brand leader in surface preparation and finishing, HYDE® is serious about growing business for those who sell to professional contractors and do-it-yourself "pros" at home. Our full category solutions and high-impact assortments offer competitively priced programs that are well-supported and based on a brand that users know and trust. In the U.S., our brand share is three times higher than any other brand of surface preparation hand tools.*

Please explore our catalog and contact your HYDE® sales rep to learn how Hyde can help you energize your home improvement sales in multiple categories. Or call Hyde Tools customer service at 800-872-4933 or 508-764-4344.

*Results of independent research studies per PDRA Market Research
“... the HYDE® Rapid Valve Transfer® system has completely changed the way that we spray. It saves us time. It saves us an unbelievable amount of money. And it’s a whole lot safer. The job we’re on today — it would usually take us about four days to do this one side of the building. There’d be staging on this deck, and a staging tower at the bottom, and planks ... it would take at least two days to set up. With the Rapid Valve Transfer® system, we’re able to paint this whole upper section in an hour and a half. So it’s pretty easy to do the math. An hour and a half vs. two to three days with two to three guys. So we’re making all kinds of money with this system ...”

Jay Bowen
Eastern Painting and Refinishing
Hyde Park, VT
A total category solution in putty knives and scrapers.

Pro Stainless
The new stainless standard!
- Patent-pending design
- Stainless steel blade resists rust
- Double hollow-ground flex blades for perfect flex point & longer life

*Carded, 5.4lb, 5pk

11100 2-1/2" Lifetime Scraper Blade, 2-Edge
Replacement blade for HYDE® Lifetime scrapers #10150, #10200, #10250, #10300, #10520. 2 sharp scraping edges.
*Carded, 0.5lb, 10pk

11120 1-1/2" Lifetime Scraper Blade, 4-Edge
Replacement blade for HYDE® Lifetime scrapers #10260, #10530. 4 sharp scraping edges, 2 rough, 2 smooth.
*Carded, 0.6lb, 10pk

11125 1-1/2" Lifetime Scraper Blade, 4-Edge (2)
Replacement blade for HYDE® Lifetime scrapers #10260, #10530. 4 sharp scraping edges, 2 rough, 2 smooth. 2 blades.
*Carded, 0.5lb, 5pk

11130 2-1/2" Lifetime Scraper Blade, 4-Edge
Replacement blade for HYDE® Lifetime scrapers #10260, #10275, #10540. 4 sharp scraping edges, 2 rough, 2 smooth. 1 blade.
*Carded, 1.0lb, 10pk

11135 2-1/2" Lifetime Scraper Blade, 4-Edge, 2 Pack
Replacement blade for HYDE® Lifetime scrapers #10270, #10275, #10280, #10540. 4 sharp scraping edges, 2 rough, 2 smooth. 2 blades.
*Carded, 1.0lb, 5pk

11150 5" Lifetime Scraper Blade, 2-Edge
Replacement blade for HYDE® Lifetime scrapers #10350, #10550. 2 scraping edges.
*Carded, 0.8lb, 10pk

Metal Handle Scraper
10280 2-1/2" Metal Handle Scraper, 4-Edge Blade
Heavy-duty scraper with tubular 12-1/4" metal handle and 4-edge high-carbon steel blade. Plastic handgrip. 2-1/2" blade.
*Carded, 5.5lb, 10pk

Molding Scraper/Contour Scrapers
10450 Quick-Release Contour Scraper
Scrape molding, stair spindles, chair rails, doors and window casings. 6 stainless steel blades with 12 scraping edges. Quick-release lever for easy blade change without tools. Convenient storage case.
*Carded, 3.3lb, 5pk

10400 Molding Scraper, 2 Blades
Scrape flat surfaces, cracks and various molding contours. 9-3/4" tubular metal handle plus 2 high-carbon steel blades: Triangle with three 2-3/4" scraping edges and 2"x1" teardrop blade. Rugged steel blade holder with foam handgrip.
*Carded, 2.5lb, 5pk

10430 Molding Scraper Blade Assortment
Replacement blades for HYDE® #10040 molding scraper. 1 teardrop blade (#10410) and 1 triangular blade (#10420).
*Carded, 0.8lb, 10pk

10410 2"x1" Teardrop Molding Scraper Blade
Replacement blade for HYDE® #10400 molding scraper. 2"x1" teardrop blade.
*Carded, 0.5lb, 10pk

10420 4" Triangular Molding Scraper Blade
Replacement blade for HYDE® #10400 molding scraper. 2-1/4" triangular blade with 3 scraping edges.
*Carded, 0.8lb, 10pk

Lifetime Scraper Replacement Blades
11000 1" Lifetime Scraper Blade, 2-Edge
Replacement blade for HYDE® Lifetime scrapers #10000, #10500. 2 sharp scraping edges.
*Carded, 0.3lb, 10pk

11050 1-1/2" Lifetime Scraper Blade, 2-Edge
Replacement blade for HYDE® Lifetime scrapers #10050, #10510. 2 sharp scraping edges.
*Carded, 0.5lb, 10pk

10410 Quick-Release Contour Scraper
Scrape molding, stair spindles, chair rails, doors and window casings. 6 stainless steel blades with 12 scraping edges. Quick-release lever for easy blade change without tools. Convenient storage case.
*Carded, 3.3lb, 5pk

10400 Molding Scraper, 2 Blades
Scrape flat surfaces, cracks and various molding contours. 9-3/4" tubular metal handle plus 2 high-carbon steel blades: Triangle with three 2-3/4" scraping edges and 2"x1" teardrop blade. Rugged steel blade holder with foam handgrip.

Replacement blade for HYDE® #10400 molding scraper. 2"x1" teardrop blade.
*Carded, 0.5lb, 10pk

10420 4" Triangular Molding Scraper Blade
Replacement blade for HYDE® #10400 molding scraper. 2-1/4" triangular blade with 3 scraping edges.
*Carded, 0.8lb, 10pk

Do it the HYDE® way at hydetools.com
Industrial Quality Push Scrapers from HYDE®

- Extra blade thickness for heavy-duty jobs
- Protective coatings prevent corrosion when working with chemicals, heat or water
- Bent blade options keep hands away from chemical removers or scraping surface
- Non-sparking brass blade options for safety in volatile environments
- Chisel edge for easier removal of coatings
- Acme thread options for use with extension poles

Heavy Duty Push Scrapers

HYDE® push scrapers are ideal for use with paint removers or “burn-off” applications. For more heavy-duty push scrapers, see our Flooring section.

12000
3" Heavy Duty Bent Blade Chisel Scraper
*Labeled, 1.8lb, 5pk

12010
3" Heavy Duty Bent Blade Chisel Scraper
*Labeled, 1.8lb, 5pk

12050
3" Long Handle Chisel Scraper
Extra-heavy-duty high-carbon steel scraper with 8" polypropylene handle, electrocoated for use with paint removers.
*Labeled, 2.0lb, 5pk

12060
3" Long Handle Bent Blade Chisel Scraper
Extra-heavy-duty high-carbon steel scraper with 8" polypropylene handle, electrocoated for use with paint removers. Blade has 20° angle for easy paint removal.
*Labeled, 2.0lb, 5pk

12040
1-5/16" Long Handle Brass Chisel Scraper
Brass non-spark blade with chisel edge for scraping delicate surfaces or working in volatile environments. Polypropylene handle with large hang hole for storage. Measures 11-1/4" overall.
*Labeled, 1.8lb, 5pk

12055
3" Long Handle Brass Chisel Scraper
Brass non-spark blade for scraping delicate surfaces or working in volatile environments. Polypropylene handle with large hang hole for storage. Measures 11-1/4" overall.
*Labeled, 2.2lb, 5pk

MAXXGrip Pro®
Spring Steel Wire Brushes

You simply won’t find better wire brushes than these high-end brushes with more bristles per square inch, highest quality materials and sturdy, soft-grip ergonomic handles.

46830
11-3/4" High-Carbon Steel Wire Brush
High-carbon steel wire brush has a large block design (6"x1") for large area prepping. With a tapered nose for tight access and corners where low profile or extra reach is needed. Ideal for removing flaking paint, rust, calcium, oxidation and corrosion. *Carded, 2.5lb, 4pk

46831
11-3/4" Stainless Steel Wire Brush
High-quality, corrosion-resistant stainless steel brush has a large block design (6"x1") and long handle for large area prepping. Tapered nose for access to tight areas and corners where low-profile design or extra reach is needed. Perfect for tough, wet jobs. *Carded, 2.5lb, 4pk

46832
8-3/4" High-Carbon Steel Wire Brush
High-carbon steel wire brush has a small block design (3"x3/4") and tapered nose for detailed prepping and tight access. Ideal for removing flaking paint, dirt, rust, calcium, oxidation and corrosion. *Carded, 1.6lb, 4pk

46833
8-3/4" Stainless Steel Wire Brush
High-quality, corrosion-resistant stainless steel brush has a small block design (3"x3/4") and tapered nose for detailed prepping and tight access. The stainless steel bristles are perfect for tough, wet jobs. *Carded, 1.6lb, 4pk

46834
11-3/4" High-Carbon Steel Wire Brush with Scraper
High-carbon steel wire brush with scraper has a large block design (8"x1") for large area prepping, with a tapered nose for tight access and corners where low profile or extra reach is needed. Ideal for removing flaking paint, dirt, rust, calcium, oxidation and corrosion. *Carded, 2.8lb, 4pk

46835
9-1/4" High-Carbon Steel Wire Brush with Scraper
High-carbon steel wire brush with scraper has a small block design (3-1/4"x1") and tapered nose for detailed prepping and tight access. Ideal for removing flaking paint, rust, calcium, oxidation and corrosion. *Carded, 1.85lb, 4pk

46836
8" High-Carbon Steel Wire Brush
High-carbon steel wire brush with sturdy soft-grip handle for prepping medium to large flat surfaces where maximum downward force is needed. Large block design (8"x1-1/4") for large area prepping, with a tapered nose for tight access and corners. Ideal for removing flaking paint, dirt, rust, calcium, oxidation and corrosion. *Carded, 3.0lb, 4pk

46837
8" Stainless Steel Wire Brush
Stainless steel wire brush with sturdy soft-grip handle for prepping medium to large flat surfaces where maximum downward force is needed. Large block design (8"x1-1/4") for large area prepping, with a tapered nose for tight access and corners. Stainless steel bristles are perfect for tough, wet jobs. *Carded, 3.0lb, 4pk

46838
9" High-Carbon Steel Wire Brush
High-carbon steel wire brush with sturdy soft-grip handle for prepping medium to large flat surfaces where maximum downward force is needed. Large block design (9"x2") for large area prepping, with a tapered nose for tight access and corners. Ideal for removing flaking paint, dirt, rust, calcium, oxidation and corrosion. *Carded, 4.1lb, 4pk

46839
9" High-Carbon Steel Wire Brush
High-carbon steel wire brush with sturdy soft-grip handle for prepping large flat surfaces where maximum downward force is needed. Large block design (9"x2") for large area prepping, with a tapered nose for tight access and corners. Ideal for removing flaking paint, dirt, rust, calcium, oxidation and corrosion. *Carded, 4.1lb, 4pk

46840
6-3/4" High-Carbon Steel Wire Brush
Block-style high-carbon steel brush can be used with or without a pole. Prep large flat surface areas by hand or mount on pole (not included) for scrubbing floor or high areas. Acme threaded. Bristle block measures 6-3/4"x2-1/2". *Carded, 4.8lb, 4pk

46841
11" High-Carbon Steel Wire Brush
High-carbon steel wire brush has a thin block design (5-1/2"x1") for prepping channels or narrow areas, with tight access and corners where low profile or extra reach is needed. Ideal for removing flaking paint, dirt, rust, calcium, oxidation and corrosion. *Carded, 2.2lb, 4pk

46842
11" Stainless Steel Wire Brush
High-quality, corrosion-resistant wire brush has a thin block design (5-1/2"x1") for prepping channels or narrow areas, with tight access and corners where low profile or extra reach is needed. Perfect for tough, wet jobs. *Carded, 2.2lb, 4pk

46843
Mini Brush 3 Pack (Brass, Nylon, Stainless)
High-quality set of 3 mini-brushes includes brass, nylon and stainless steel brushes for applications involving detail work or limited access. *Bagged, 1.7lb, 6pk
## Stripping & Scrub Brushes

A brush for every job! This full line of stripping brushes offers a wide range of designs in carbon steel, brass and stainless steel — all with overmold handles.

*Carded, 0.7lb, 10pk

13138 Single Edge Razor Blades 50-Blade Dispenser
.009" thick. Industrial-quality steel. Individually wrapped for safety. 10 packs of 5 blades. Convenient storage box.
*Boxed, 5.0lb, 1pk

13127 Heavy Duty (.012") Single Edge Blades 100 Pack
*Clam pack, 8.0lb, 10pk

45700 Carbide Wheel Glass Cutter
Heavy-duty tungsten carbide cutting wheel. Balanced cast metal handle.
*Carded, 0.5lb, 5pk

45760 Glazing Points, Push-Style
Push-style points hold glass against sash beneath putty.
*Carded, 0.6lb, 10pk

*Retailer Pack Information
Adding a Pivot Nozzle Wand to your pressure washer allows you to step back, stay dry and reach into every nook and cranny without pain and strain. With a twist of the handle the patented nozzle pivots up to 90° as you work, so you can reach in, over, under or around obstacles and still keep a 90° angle to the surface for maximum power. With the Pivot Nozzle Wand, the tool does all the work, making pressure washing more productive and much less tiring. Models are available for use with all major brands of gas and electric pressure washers. U.S. Patent #6979644. Other U.S. and International Patents Pending.

**Pressure Washer Accessories**

**28420**

18" Pivot Nozzle Wand for Electric Pressure Washers
Rated for use with electric pressure washers up to 2000 PSI. Perfect for cleaning decks, house siding, cars, ATVs and many other areas around the house or worksite. Patented slide handle pivots the nozzle as you work. Includes 4 adapters for use with all major brands of electric pressure washers.

*Clam pack, 5.9lb, 4pk

**28430**

28" Chrome-Plated Wand for Gas Pressure Washers (M22-style)
Gas Pivot Nozzle Wand (also called pressure washer lance) is rated for up to 3200 PSI and designed specifically for M22-style gun fittings. Soft-touch, rubberized grip provides non-slip control. Heavy-duty lightweight housing has a chrome-plated steel shaft, providing durability and corrosion resistance.

*Clam pack, 2.9lb, 1pk

**28440**

40" Chrome-Plated Wand for Gas Pressure Washers (1/4"-style)
Rated for up to 4000 PSI and designed specifically for 1/4" "female" gun fittings. Soft-touch, rubberized grip provides non-slip control. Heavy-duty lightweight housing with durable chrome-plated shaft.

*Clam pack, 3.3lb, 1pk

**28450**

40" Stainless Steel Wand for Gas Pressure Washers (1/4"-style)
Identical to the 28440 but with a stainless steel shaft, providing durability and superior corrosion resistance.

*Clam pack, 3.3lb, 1pk

*Retailer Pack Information
**40” GAS-POWERED Pivot Nozzle Wand** designed for use with 1/4”-style guns up to 4000 PSI

The HYDE® 40” Pivot Nozzle Wand is a professional grade tool engineered to stand up to the most demanding jobs. The pivoting head allows the user to step back, stay dry and reach into every nook and cranny without the pain and strain. Fits 1/4”-style gun fittings.

- **Twist Grip Control** Directs nozzle and locks in place with one hand. Soft-touch, rubberized grips for non-slip control.
- **Soft Touch Grips** Non-slip grips for less fatigue and firm control.
- **Chrome Plated Steel Shaft** For durability and corrosion resistance. (Also available in stainless steel.)
- **Heavy Duty, Lightweight Housing** Made HYDE® tough for long life and trouble-free use.

**Fits 1/4 inch Pressure Washer Gun Fittings**

---

**28” GAS-POWERED Pivot Nozzle Wand** designed for use with M22-style guns up to 3200 PSI

The HYDE® 28” Pivot Nozzle Wand has all the features of the 40” wand but is designed specifically for M22-style gun fittings.

- **Twist Grip Control** Directs nozzle and locks in place with one hand. Soft-touch, rubberized grips for non-slip control.
- **Soft Touch Grips** Non-slip grips for less fatigue and firm control.
- **Chrome Plated Steel Shaft** For durability and corrosion resistance.
- **Heavy Duty, Lightweight Housing** Made HYDE® tough for long life and trouble-free use.

**Connects to M22 Pressure Washer Gun Fittings**

---

**18” ELECTRIC Pivot Nozzle Wand** designed for use with electric pressure washers up to 2000 PSI

The HYDE® 18” Pivot Wand is great for washing decks, siding, fences, cars, ATVs and more. Includes adapters for use with any major brand of electric pressure washer.

- **Slide Control Grip** Simply push or pull to pivot the nozzle.
- **Use Adapters to Connect to Electric Pressure Washer Handles**
- **Heavy Duty, Lightweight Housing**
- **Head Pins 90°** Direct power where you need it every time.

Do it the HYDE® way at hydeTools.com
Finally, an airless spray system that lets you spray nonstop, switching easily from gun to pole as you paint. Unlike most poles, the RVT® telescopes … extending your reach up to 12 feet. No ladders or scaffolding. No powering down or depressurizing. Just faster jobs with less fatigue and easy cleanup.

The brain of the RVT® system is the unique spray valve. It holds the pressure, allowing the valve itself to be transferred “live” from gun to pole and back again. The RVT® Valve eliminates the need for a heavy gun at the top of a pole. Insert the valve into the lightweight head and you’re ready to spray. And since no paint runs through the pole, cleanup is easy.

The HYDE® RVT® system is a better way to spray.
AnglePRO® Spray Poles

The AnglePRO® airless spray pole gives painters a faster, easier way to change the spray angle without stopping to manually adjust. Quickly paint soffits, closets, ductwork or any other job that requires reaching into tight areas and around objects. Patented lever changes the painting angle up to 145°. U.S. Patent #6976644.

28260
3' AnglePRO® Spray Pole
Spray nonstop while adjusting your angle for maximum coverage of complex angles or open framework. 3' pole, pressure rated to 4000 PSI for most paint and coating applications.
*Boxed, 2.0lb, 1pk

28270
5' AnglePRO® Spray Pole
5' pole, pressure rated to 4000 PSI for most paint and coating applications.
*Boxed, 3.0lb, 1pk

28400
Spray & Roll™ Backroller Attachment
Backroller attachment fits AnglePRO® spray poles #28260 and #28270. Allows a single painter to spray and backroll the job in one easy pass. Use for blockfillers, elastomerics, porous surfaces, stucco, wood siding, T1-11, PVA sealers, drywall, ceilings, structural steel and more. U.S. Patent #4962722S.
*Clam pack, 7.5lb, 1pk

QuickReach® Telescoping Poles

QuickReach® Telescoping Poles extend out to their maximum height in seconds, offering the professional painter freedom of reach and coverage. Lengths vary to accommodate indoor, one-story applications or large jobs requiring paint heights up to 16'. Can be used with all major brands of spray gun. Can also be used with the HYDE® RVT® System (item #28700). U.S. Patents #6378922, #5485960.

28670
4.5’-6.5’ QuickReach® Telescoping Spray Pole
Extends from 4.5’ to 6.5’ for use in applications with ceilings or paint heights up to 10’. Perfect for one-story and indoor painting.
*Boxed, 4.0lb, 1pk

28680
5.5’-8.5’ QuickReach® Pro Telescoping Spray Pole
Extends from 5.5’ to 8.5’, offering the professional painter freedom of reach and coverage for a wide range of jobs. Small enough for indoor use or painting in tight spaces, but long enough when extended to reach 16’ ceilings.
*Boxed, 4.7lb, 1pk

28690
7.5’-12’ QuickReach® Max Telescoping Spray Pole
Extends from 7.5’ to 12.5’, giving the professional maximum extension for painting exteriors, cathedral ceilings or areas normally reached on a ladder.
*Boxed, 5.7lb, 1pk

28730
QuickReach® Replacement Mount (RVT® Compatible)
Quick-connect replacement mount for RVT-compatible QuickReach® poles (items #28670, #28680, #28690) or with RVT® System (item #28700).
*Boxed, 4.6lb, 4pk

PROShield® Spray Shields

These shields, designed for the paint and drywall trades, shield surfaces when spraying paint or texture. Especially useful with extension poles. The shields have a PivotNeck system that adjusts to any angle, plus a runoff lip and rustproof blades. Available in aluminum and high-impact polystyrene, with flexible and stiff options for each type. Furnished with 18” Acme-threaded hardwood handles. U.S. Patent #4962722.

Aluminum Shields

Paint Mixers

43420
1-Quart/Gallon Paint Mixer, for use with drills
Mix paint, adhesives, coatings, stains and wall texture in quart or gallon containers. High-performance mixer for use with electric drill. Polypropylene impellers and plated steel drive shaft resist corrosion and clean up quickly. 11” x 1/4” hex shaft, 2-5/8” impellers.
*Carded, 1.9lb, 6pk

43430
5-Gallon Paint Mixer, for use with drills
Mix paint, adhesives, coatings, stains and wall texture in 1- or 5-gallon containers. High-performance mixer for use with electric drill. Polypropylene impellers and plated steel drive shaft resist corrosion and clean up quickly. 17-1/2” x 5/16” hex shaft, 3-1/8” impellers.
*Carded, 3.2lb, 6pk

43460
Multi-Blade Paint Mixer, for use with drills
For fast, thorough mixing in quart and gallon cans. Lifts and mixes solids from the bottom of paint cans. Rugged polypropylene with 7” hexagonal shaft for use with 3/8” drill. Easy to clean.
*Carded, 1.0lb, 10pk

47100
PaintMiser 10-in-1 Multi-Tool
Environmentally friendly multiuse tool fits in 1- and 5-gallon cans for mixing and scraping paint can clean. Opens cans, cleans extra paint from rim, sides and bottom of can. Also cleans rollers.
*Carded, 3.0lb, 6pk

Painters’ Multi Tools

06993
14-in-1 Pro Project Multi-Tool with 4 Bits
One high-quality, handy tool scrapes paint, spreads compound, cleans rollers, removes putty, opens cracks, sets nails, scrapes contours, scrapes convex surfaces, opens cans and bottles and pulls nails; flat end opens paint can lids. Plus four different screwdriver bits are securely stored in a pullout drawer in the handle and insert into the handle end for quick, easy use. 3” stiff scraping blade. U.S. Patent #5956799 and #6726868.
*Carded, 5pk

06920
Pro Project 10-in-1 Multi-Tool with 4 Screw Bits
Carry 1 tool for many jobs. Scrape paint, spread compound, clean rollers, remove putty, open cracks, set popped nails with Hammer Head® end. Plus, 4 different screwdriver bits are securely stored in a pull-out drawer in the handle and insert into the handle end for quick, easy use. 2-1/2” stiff scraping blade; flat end opens paint can lids.
*Labeled, 4pk

06998
8-in-1 Pro Stainless Multi-Tool
Heavy-duty multi-tool with 3” stiff stainless steel scraper blade. Also includes: putty-remover; spreader; half round cutout cleans paint rollers; sharp point opens cracks for patching; die cast metal Hammer Head® end sets drywall nails; nail puller; flat end opens paint can lids. Guaranteed forever.
*Labeled, 5pk

06986
6-in-1 Pro Stainless Multi-Tool
6 tools in 1. Includes: 2-1/2” stiff stainless steel scraper blade. Putty remover, Spreader, Half round cut-out cleans paint rollers. Sharp point opens cracks for patching; die cast metal Hammer Head® end for setting drywall nails. Guaranteed forever.

A Helpful Painting ‘Tip’ From HYDE®

Finish twice as fast using HYDE® Painter’s Pyramids.

- Non-stick tips allow you to paint all sides of your workpiece without the wait of drying time. Turn it over immediately and continue painting.
- Pyramids hold the workpiece off the surface you’re painting on for less mess and easy cleanup.
- Can hold furniture weighing up to 200 pounds.
- Great for painting shutters, cabinet doors, furniture, crafts, moldings and much more.

For a better finish, start with HYDE®.
There simply is no faster, more professional way to repair a hole or crack in drywall, plaster, stucco or even wood than with this fabric patch that hardens into a permanent patch within minutes. Cut it to size with scissors. Then, just dip it in water and spread it over the damaged area. Stains, holes, cracks and crumbling damage disappear within seconds, replaced by a hard, permanent patch that’s ready for a finish coat within 20-30 minutes. Perfect for flat, curved or uneven surfaces.

WET & SET® forms a strong polymer adhesion that won’t peel or delaminate like some patching materials do. In most cases, one coat of patching compound is all it takes — no two-day wait to finish up the job.

Available in single flat sheets or economical 3-yard contractor rolls.

**Wall Repair Products**

09115
12" Economy Series Multi-Use Tray
Molded PET tray with built-in blade wiping edge works well as a drywall mud pan or a water tray for dipping Wet & Set® patch. Measures 5-3/4"x14-1/2" at top, 2-7/8"x11-7/8" at bottom, 3-1/4" deep.
*Labeled, 4.8lb, 24pk

09016
6" MAXXGRIP PRO® Jab Saw
Heavy-duty multi-saw cuts quickly through drywall, wood, Masonite® and plywood. Sharp point penetrates drywall without drilling. Double-ground high-carbon steel teeth cut in both directions.
*Carded, 1.3lb, 5pk

45400
Crack Opener
Clean and open cracks for patching. Carbon steel blade, hardwood handle, plated metal ferrule. Tool measures 6" overall.
*Labeled, 0.7lb, 5pk

05610
Economy Series Combo Pack 1-1/2", 3", 6"
Lightweight polypropylene tools for spreading or scraping compounds. Reinforced handles outlast other disposables. Pack includes one each of 1-1/2", 3" and 6" tools.
*Labeled, 2.1lb, 10pk

05615
Economy Series Combo Pack 2", 4", 6"
Lightweight polypropylene tools for spreading or scraping compounds. Reinforced handles outlast other disposables. Pack includes one each of 2", 4" and 6" tools.

8 of each size.
*Bagged, .05b, 6pk

Dust-Free Vacuum Sanders

These handy drywall hand and pole Sanders attach to any wet/dry vacuum for sanding without creating dust throughout your worksite. Protects furniture, floors, electronics — and your lungs — from invasive drywall dust. EasyClamp system allows sanding screen replacement quickly and easily. Come with 6' hose, coupling adapters and 1 sheet of reversible sanding screen.

09165 Dust-Free Vacuum Hand Sander Kit Attachment for hand sanding.
*Boxed, 1.9lb, 1pk

09170 Dust-Free Vacuum Pole Sander Kit (without pole) Attachment for pole sanding. Pole not included.
*Boxed, 2.2lb, 1pk

09175 Dust-Free Vacuum Pole Sander Kit (with pole) *Boxed, 5.6lb, 1pk

Drywall Sanding Screens

Designed specifically for use with drywall compound, these unique sanding screens have a smaller mesh that prevents scratching walls. 45° mesh angle offsets typical angle of sanding head in use. Precut to 3-1/4" x 11-1/4". Shake or rinse to clean. For use with any HYDE® pole, hand or vacuum sander.

Drywall Pointing Knives

02700
3-1/2" Black & Silver® Drywall Pointing Knife
Professional-grade pointing knife for taping and finishing inside corners and tight areas. 60° blade angle. 3-1/2" high-carbon steel blade. Full-tang blade. Guaranteed forever.
*Labeled, 1.1lb, 5pk

02701
6" Black & Silver® Drywall Clipped Pointing Knife
Professional-grade clipped pointing knife for taping and finishing inside corners and tight areas. 30° blade angle. 6" high-carbon steel blade. Full-tang blade. Guaranteed forever.
*Labeled, 1.1lb, 5pk

Drywall Inside Corner Tools

For creating smooth, defined inside corner joints during drywall taping and patching. Extra-wide 4" flexible stainless steel blades with a 103° angle flex tightly into 90° inside corners.

09410
MAXXGRIP® Stainless Steel Inside Corner Tool
with lightweight, offset handle with non-slip grip
*Labeled, 3.4lb, 5pk

09411
Stainless Steel Inside Corner Tool
with traditional hardwood handle
*Labeled, 3.5lb, 5pk

05560
2-1/2" Economy Series Inside Corner Tool
Lighweight polypropylene drywall finishing tool for creating smooth inside corners.
*Labeled, 1.4lb, 20pk

Drywall Outside Corner Tools

For creating smooth, defined outside corner joints during drywall taping and patching. Flexible stainless steel blades with 83° angle flex tightly around 90° corners.

09425
MAXXGRIP® Stainless Steel Outside Corner Tool
with extra-wide 4" blades and lightweight, offset handle with non-slip grip
*Labeled, 3.5lb, 5pk

09420
Stainless Steel Outside Corner Tool
with 2-1/2" blades and polypropylene handle
*Labeled, 2.2lb, 5pk

Cornerbead Tool and Mallet

09893
Cornerbead Tool with Mallet
Use a professional mallet and cornerbead tool to quickly crimp and center outside cornerbead, creating a crisp corner.
*Labeled, 4.5lb, 1pk

MAXXGRIP PRO® Drywall Hawks

Advanced hawk design provides a comfortable soft grip and swivel ring for easy turning. Lightweight aluminum blade is grooved to keep compound from slipping. Rounded corners for safety. Open handle designed to fit on staging post.

09073
13" MAXXGRIP PRO® Drywall Hawk
Labeled, 8.0lb, 5pk

09074
10" MAXXGRIP PRO® Drywall Hawk
Labeled, 5.1lb, 5pk

Reinforced Joint and Corner Tape

Flexible 2" paper tape with two plated steel reinforcing strips for taping inside or outside corner joints. Cut to length with scissors and apply with joint compound to straighten and add strength to any corner. Tape conforms to any angle.

09891
Metal Reinforced Corner Tape
2"x25' Roll
*Carded, 6.0lb, 5pk

09903
Metal Reinforced Corner Tape
2"x100' Roll
*Carded, 28.8lb, 8pk
Self-Adhesive Fiberglass Joint Tape

Strong fiberglass mesh reinforcement for taping and patching drywall. Adhesive eliminates need for pre-plastering. For use with quick-setting compound. Will not blister or bubble. Faster and easier than conventional paper.

**09062** Self-Adhesive Fiberglass Joint Tape 2”x50’ Roll
*Boxed, 1.2lb, 5pk

**09004** Self-Adhesive Fiberglass Joint Tape 2”x150’ Roll
*Boxed, 6.6lb, 12pk

**09065** Self-Adhesive Fiberglass Joint Tape 1-7/8”x300’ Roll
*Boxed, 8.0lb, 10pk

**09886** Self-Adhesive Perforated Joint Tape 2”x75’ Roll
For taping and patching drywall material. Strong perforated paper tape is faster and easier to apply than conventional paper tape. Adhesive eliminates need for pre-plastering.
*Boxed, 3.6lb, 5pk

**09090** Fast-load Drywall Tape Dispenser
Fast-loading plated steel dispenser holds all paper and fiberglass drywall tape rolls up to 2-1/4”x500’. Hangs from belt. Tape (not included) threads easily through dispensing slot for quick feed and clean tear-off. Lift retaining pin to change rolls.
*Labeled, 6.6lb, 10pk

Joint Compound Mud Pans

**09012** 12” Stainless Steel Heli-arc Welded Joint Compound Mud Pan
Top-of-the-line stainless steel mud pan with watertight heli-arc-welded seams resists rust and wear for frequent taping and patching work. Sharp, durable edges for wiping blades clean. Measures 4-1/4”x13-3/4” at top, 2-5/8”x12-1/8” at bottom, 3-1/2” deep.
*Labeled, 7.5lb, 5pk

**09014** 14” Stainless Steel Heli-arc Welded Joint Compound Mud Pan
Top-of-the-line stainless steel mud pan with watertight heli-arc-welded seams resists rust and wear for frequent taping and patching work. Sharp, durable edges for wiping blades clean. Measures 4-1/4”x15-3/4” at top, 2-5/8”x14-1/8” at bottom, 3-1/2” deep.
*Labeled, 8.3lb, 5pk

**09077** Soft-Grip Banjo Taper
Lightweight, quick-load taper pre-muds drywall tape for faster installation. Easy-to-fill compound compartment holds 2 quarts. Wing nuts adjust mudflow dam. Large roll compartment holds 41 feet of standard tape. Well balanced for hours of taping. Adjustable side strap for right-handed use only.
*Labeled, 3.5lb, 1pk

**09071** 12” Galvanized Spot Welded Joint Compound Mud Pan
Galvanized steel mud pan with spot-welded seams resists rust and wear for frequent taping and patching work. Sharp, durable edges for wiping blades clean. Measures 4-1/4”x13-3/4” at top, 2-5/8”x12-1/4” at bottom, 3-1/2” deep.
*Labeled, 13.0lb, 10pk

**09075** 12” Heavy Duty Metal-Edge Mud Pan
Heavy-duty plastic mud pan with metal edges for wiping blades clean. Measures 4-3/4”x13-3/4” at top, 3”x12” at bottom, 3-1/4” deep.
*Labeled, 3.3lb, 5pk

**09076** 14” Heavy Duty Metal-Edge Mud Pan
Heavy-duty plastic mud pan with metal edges for wiping blades clean. Measures 4-3/4”x15-3/4” at top, 3”x14” at bottom, 3-1/4” deep.
*Labeled, 5.1lb, 5pk

**09060** 12” Plastic Joint Compound Mud Pan
Heavy-duty plastic mud pan with molded edges for wiping blades clean. Measures 4-3/4”x13-3/4” at top, 2-5/8”x12-1/2” at bottom, 3-1/4” deep.
*Labeled, 5.5lb, 5pk

**09072** 12” Stainless Steel Spot Welded Joint Compound Mud Pan
Stainless steel mud pan with spot-welded seams resists rust and wear for frequent taping and patching work. Sharp, durable edges for wiping blades clean. Measures 4-1/4”x13-3/4” at top, 2-5/8”x12-1/4” at bottom, 3-1/2” deep.

09081
Rolling Drywall Lifting Tool
Lift and move drywall sheets into position for nailing. Step-down lifts up to 3”. Rolls forward 2” with each step. Heavy-duty steel construction with ribs for strength.
*Labeled, 13.8lb, 5pk

09983
Mini Drywall Lifting Tool
Pocket-size tool lifts drywall sheet 2” to position for installation. Measures 6”.
*Labeled, 4.9lb, 5pk

09086
SuperSoft Knee Pads
Contoured pads to cushion and protect the knee. 2-1/2” wide neoprene straps with Velcro fasteners for adjustable fit. Pads will not mar surfaces. Washable.
*Bagged, 7.5lb, 6pk

09039
Drywall Screw Adapter Bit (#2-Phillips)
#2 Phillips tip for driving drywall screws. For use with 1/4” or larger variable-speed electric drill. Fits all popular drywall screws. Built-in depth finder draws paper in evenly with screw head. Countersets screws for drywall finishing.
*Carded, 0.5lb, 10pk

02996
Black & Silver®
Pail Popper® Pail Opener
Heavy-duty pail opener with sharp hook cutter for removing plastic 5-gallon bucket lids and pail tops. Electrocoated 3” scraper/spreader blade and durable nylon handle with Hammer Head® end. Full-tang blade. Guaranteed forever.
*Labeled, 1.5lb, 5pk

*Retailer Pack Information
Dust-Free Vacuum Sanders

No more dust! These handy drywall sanders attach to any wet/dry vacuum for sanding without creating dust throughout your worksite. Protects furniture, floors, electronics — and your lungs — from invasive drywall dust. EasyClamp system allows sanding screen replacement quickly and easily. Both hand and pole-style sanding kits come with a 6’ hose, coupling adapters and one sheet of reversible sanding screen.

- **09165 Dust-Free Vacuum Hand Sander Kit**
  - Attachment for hand sanding
  - *Boxed, 1.9lb, 1pk

- **09170 Dust-Free Vacuum Pole Sander Kit (without pole)**
  - Attachment for pole sanding. Pole not included.
  - *Boxed, 2.2lb, 1pk

- **09175 Dust-Free Vacuum Pole Sander Kit (with pole)**
  - *Clam shell, 5.6lb, 1pk

Drywall Sanding Screens

Designed for use with drywall compound, these unique sandscreens have a smaller mesh that prevents scratching walls. 45° mesh angle offsets typical angle of sanding head in use. Precut to 3-1/4” x 11-1/4”. Shake or rinse to clean. For use with any HYDE® pole, hand or vacuum sander.

- **09900 180 Grit (Medium) Drywall Screen, 25 Pack**
  - *Bagged, 1.1lb, 1pk

- **09901 180 Grit (Medium) Drywall Screen, 2 Pack**
  - *Carded, 1.1lb, 10pk

Do it the hard way, or the HYDE® way.

Heavy Duty Floor & Tile Scrapers

12010 3" Heavy Duty Bent Chisel Scraper
Extra-heavy-duty high-carbon steel scraper with 5-1/2" polypropylene handle, electrocoated for use with paint removers. 3" blade with 20° angle for easy paint removal. Measures 9" overall. Handle or extension pole. One-piece polypropylene handle resists corrosion. Thumb bolster for increased leverage. 3" blade.
*Labeled, 2.0lb, 5pk

12000 3" Heavy Duty Bent Chisel Scraper
Extra-heavy-duty high-carbon steel scraper with 5-1/2" polypropylene handle, electrocoated for use with paint removers. 3" blade with 20° angle for easy paint removal. Measures 9" overall.
*Labeled, 1.8lb, 5pk

12060 3" Long Handle Bent Chisel Scraper
Extra-heavy-duty high-carbon steel scraper with 8" polypropylene handle, electrocoated for use with paint removers. 3" blade with 20° angle for easy paint removal.
*Labeled, 2.0lb, 5pk

12050 3" Long Handle Brass Chisel Scraper
Extra-heavy-duty high-carbon steel scraper with 8" polypropylene handle, electrocoated for use with paint removers. 3" blade for removing paint, wallpaper, floor adhesive, light-duty tile and linoleum. Rust-resistant bright plated carbon steel blade is reversible and replaceable (#19453).
*Labeled, 13lb, 5pk

12072 3" Extra Heavy Duty Chisel Extension Pole Scraper
Extra-heavy-duty high-carbon steel scraper electrocoated for use with paint removers. Use hand-held or with an Acme threaded broom handle or extension pole. One-piece polypropylene handle resists corrosion. Thumb bolster for increased leverage. 3" blade bent 20° for easier paint removal.
*Labeled, 2.1lb, 5pk

12070 3" Bent Chisel Extension Pole Scraper
Extra-heavy-duty high-carbon steel scraper electrocoated for use with paint removers. Use hand-held or with an Acme threaded broom handle or extension pole. One-piece polypropylene handle resists corrosion. Thumb bolster for increased leverage. 3" blade bent 20° for easier paint removal.
*Labeled, 2.1lb, 5pk

12055 3" Long Handle Brass Chisel Scraper
Brass non-spark blade for scraping delicate surfaces or working in volatile environments. Polypropylene handle with large hang hole for storage. Measures 11-1/4" overall; 3" blade.
*Labeled, 2.2lb, 5pk

19423 5" Offset Scraper with 48" handle
Two-handed scraper with offset blade for removing paint, wallpaper, floor adhesive, light-duty tile and linoleum. Rust-resistant bright plated carbon steel blade is reversible and replaceable (#19453).
*Carded, 13lb, 5pk

19424 12" Offset Wall and Floor Scraper
Heavy-duty wall and floor scraper with offset design that makes it easier to get edge under material. 12" length for working in tight spaces. Cushioned grip with protective hand stop. Die cast metal head holds blade securely. Reversible 5" blade.
*Carded, 3.7lb, 4pk

19425 12" Offset Hammer Scraper with 12" Handle
Heavy-duty wall and floor scraper with offset design that makes it easier to get edge under material. 12" length for working in tight spaces. Hammer butt end for cracking tiles. Foam on the handle and a rubber striking grip provide hand protection. Die cast head with welded neck will not spin loose during use. Reversible 5" blade; can also be resharpened. 6" blade also available (#19452).
*Carded, 6.0lb, 2pk

19430 4"/6" Hammer Scraper with 18" Handle
Heavy-duty scraper for hand-chiseling wall tile or hammer-chiseling flooring materials. Foam on the handle and a rubber grip provide hand protection. Die cast head with welded neck will not spin loose during use. Reversible 4" blade for twice the life; can also be resharpened. 6" blade also available (#19452).
*Carded, 3.6lb, 2pk

19440 4"/6" Hammer Scraper with 48" Handle
Two-handed push-style scraper for chiseling off coatings or flooring materials such as tile, linoleum, paint and roofing materials. Foam on the handle and a rubber striking grip provide hand protection. Die cast head with welded neck will not spin loose during use. Reversible 4" blade for twice the life; can also be resharpened. 6" blade also available (#19452).
*Carded, 2pk

19450 4"/6" Hammer Scraper with 54" Handle
Two-handed push-style scraper for chiseling off coatings or flooring materials such as tile, linoleum, paint and roofing materials. Foam on the handle and a rubber striking grip provide hand protection. Die cast head with welded neck will not spin loose during use. Reversible 4" blade for twice the life; can also be resharpened. 6" blade also available (#19452).
*Carded, 2pk

19451 4" Hammer Scraper Blade
Hardened carbon steel blade with two sharpened edges for long life. Can be resharpened. Replacement blade for HYDE® hammer scrapers #19430, #19440 and #19450.
*Carded, 3.0lb, 10pk

19453 5" Hammer Scraper Blade
Hardened carbon steel replacement blade for use with HYDE® scraper #19425.
*Carded, 2.5lb, 10pk

MAXXGRIP®
Adhesive Trowels

MAXXGRIP PRO® trowels have a soft-grip handle that is comfortable and easy to clean, with no grooves or pinholes in the handle to catch adhesive. Carbon steel blade is hardened and tempered to hold its shape. Cast aluminum handle spine is riveted to blade for durability.

## Tile Installation and Repair Tools

### 19400 Ceramic Tile Carbide Nipping Tool

Wide bit for shaping tile. Carbide cutting edge cuts tile up to 1/2” thick. Balanced forged steel construction. 5/8” wide offset jaws open with return spring. Measures 8” overall.
*Carded, 5.0lb, 5pk

### 19410 Ceramic Tile Carbide Cutter

Cuts ceramic tile, glass and mirrors. Replaceable carbide cutting wheel for straight or curved cuts. Built-in breaker bar assures perfect cut. Cushion grips. Tool measures 8-1/2” overall.
*Carded, 3.0lb, 5pk

### 19411 Replacement Carbide Wheel for #19410

Replacement carbide wheel for HYDE® #19410 hand-held ceramic tile cutter.
*Carded, 0.1lb, 5pk

### 19420 Carbide Grit Rod Saw Blade

Cuts ceramics, glass, plastic, steel, fiberglass, cast iron, brick, concrete and marble. Use in 10” standard hacksaw frame. Cuts on forward and reverse strokes. Contour cutting.
*Carded, 0.5lb, 10pk

### 19417 Stationary Ceramic Tile Cutter

Scores and cuts ceramic tile up to 1/2” thick. Rules in metric and English. Accepts oversized material up to 12”. Replaceable tungsten carbide cutting wheel.
*Boxed, 6.5lb, 1pk

### 19418 Replacement Carbide Wheel for #19417

Replacement tungsten carbide wheel for HYDE® #19417 stationary ceramic tile cutter.
*Bagged, 0.1lb, 1pk

---

## Grout Floats

### 19130 Sponge Rubber Grout Float (fine)

Fine-texturing 5/8” sponge rubber pad with aluminum backing plate. One-piece molded polypropylene handle for comfortable grip and easy cleanup. 4”x9” surface area.
*Labeled, 6.0lb, 10pk

### 19140 Extra-Firm Grout Float (fine)

Fine-texturing, extra-firm 3/8” molded rubber pad for use with tile, stone and masonry. Aluminum backing plate. One-piece molded polypropylene handle for comfortable grip and easy cleanup. 3-1/2”x8” surface area.
*Labeled, 5.0lb, 10pk

---

## Grout Repair Tools

### 46807 Nylon Grout Brush

Small grout brush with 5/8” flexible nylon bristles. Good size to get between tiles. Soft nylon bristles for areas where scratching of soft materials or coatings is an issue. Brush area measures 5/8”x2-1/4”.
*Carded, 2.5lb, 6pk

### 19402 Professional Grout Saw

Removes damaged grout from between tiles. Double blade design: Carbide grit blade cuts grout quickly; toothed blade clears cutting debris. Offset blade mount keeps knuckles away from work. High-impact plastic handle. Includes 2 blades, 1 of each style.
*Carded, 1.5lb, 5pk

### 19403 Grout Saw Replacement Blades (2)

Replacement blades for HYDE® grout saw #19402. 1 carbide grit blade, 1 toothed blade.
*Carded, 0.3lb, 5pk

Wallpaper Removal Tools

33210  
Wallpaper Scoring Tool  
Perforate wallcoverings to speed removal. When used in a circular motion, 96 stainless steel teeth make shallow cuts to allow liquid remover or steam to penetrate and loosen adhesive without damage to wall.  
*Carded, 1.5lb, 5pk

Wallpaper Scrapers

33130  
Wallpaper Roller Scraper  
Removes wallpaper faster and easier than conventional scrapers without damage to the walls. Unique stabilizing roller prevents gouging. 3-1/2" replaceable blade.  
*Carded, 1.7lb, 5pk

06579  
4" Stiff  
Pro Stainless Scraper  
Premium quality Pro Stainless joint knife features 4" stiff rust-resistant blade with bevel edge. Perfect for wallpaper removal and general scraping. Double hollow-ground for the perfect flex point plus durable Hammer Head® end for resetting nails and screws. Superior grip has overmold cushioning for prolonged taping jobs.  
*Labeled, 1.5lb, 5pk

02600  
4" Extra Heavy Duty Stiff  
Black & Silver® Chisel Scraper  
Extra-heavy-duty Black & Silver® scraper. 4" high-carbon steel blade with chisel edge and durable nylon handle. Full-tang blade. Guaranteed forever.  
*Labeled, 1.8lb, 5pk

02755  
5" Stiff  
Black & Silver® Wallcovering Trim Tool  
5" stiff high-carbon steel tool for wet or dry scraping when removing wallcovering. Also useful as a straightedge for cutting and as a trim tool for smoothing and fitting new wallcovering. Full-tang blade. Guaranteed forever.  
*Labeled, 1.8lb, 5pk

Wallpaper Shavers

33250  
4" Scraper  
Wide-blade scraper removes paint and stickers from glass or mirrors or shaves off wallpaper. Patented quick-change feature for replacing 4" blade fast and without tools. Overmold handle provides a secure, comfortable grip. Stores up to 4 blades in the handle. 1 blade included.  
*Carded, 2.0lb, 10pk

33120  
4" Multi-use Wallpaper Shaver/Scraper  
For safer and efficient removal of wallcoverings. Also scrapes paint and stickers from glass and mirrors. Push-button blade change requires no tools. Double lock for positive blade holding. Use HYDE® blade #33170 to maintain proper positioning.  
*Carded, 2.0lb, 5pk

33110  
4" Multi-use Wallpaper Shaver/Scraper  
Shave off wallpaper or scrape paint and stickers off glass and mirrors. Angled head takes 3-1/4" replaceable blade. Tubular metal handle with cushioned foam grip. Measures 12" overall.  
*Carded, 2.8lb, 5pk

33100  
3-1/4" Multi-use Wallpaper Shaver/Scraper  
Shave off wallpaper or scrape paint and stickers off glass and mirrors. Angled head takes 3-1/4" replaceable blade. Tubular metal handle with cushioned foam grip. Measures 11" overall.  
*Carded, 2.6lb, 5pk

33095  
4" Offset Wallpaper Scraper with 48" handle  
Two-handed scraper with 4" offset blade for removing paint and wallpaper. Rust-resistant bright plated carbon steel blade is reversible and replaceable (#33255, #33170).  
*Carded, 7.0lb, 5pk

Tools for Hanging Wallpaper

31550  
Quick-Change Razor Knife with 1 blade  
Cut, slice and trim wallcovering, paper, foil and other materials, with smooth slicing on or off the wall. Metal frame holds single-edge razor blade. Hardwood handle.  
*Carded, 1.0lb, 5pk

34015  
11" Stainless Steel Professional Shears  
Oversize stainless steel shears for scoring and cutting wallcovering, fabric, foil, plastic, vinyl and more. Stainless blades resist corrosion and hold a sharp edge. Adjustable tension. Precision tip for scoring materials to be cut. Soft-grip handles fit left or right hand.  
*Carded, 2.0lb, 5pk
**35600**
28" Prepasted Wallcovering Tray
Wet all types of prepasted wallcovering. Reinforcing ribs and heavy-duty polystyrene construction for stability. Molded handles help lift and carry. Also use for seedling and flower planter, indoors or out. Measures 7-1/2"x33" at top, 4-1/2"x28" at bottom, 4" deep.
*Labeled, 7.0lb, 10pk

**35805**
6" Wallcovering Paste Brush
6" brush for spreading wallcovering paste and adhesive. Hardwood handle with 3" polypropylene bristles.
*Labeled, 3.5lb, 10pk

**45815**
11" Wallcovering Smoothing Tool
This sturdy polypropylene tool is designed specifically to smooth wallcoverings, with tapered edge for flexibility and curved ends to avoid damage. Rounded handle for sure grip, large hole for hanging tool.
